

6/30/11

Dear Mitch,

Thank you for giving me a hearing aid. It helps me to hear better at home and my teacher and friend at school. This year I learned how to read really good. My favorite books I like to read are chapter books not baby anymore. Jack and Annie books are really fun to read. Today was the last day of school, I got my report card and my mommy says that I did great and she is so proud of me. I found out that in 2nd grade I'm going to

have Mrs. Maiolo, that's who I really wanted, she is nice and she wears a hearing aid just like me.

Love
Amanda
