

Mitch,

I really don't know where to begin. My new hearing aides have made such a difference in my life. It is such a blessing to be able to hear my great grandson he talks to me; to hear the birds sing; to hear the neighbors when they yell "hello" from the yard next door and yes even to hear how noisy the traffic is. The day I received my hearing aides, I went home and turned on my television, I could not believe how loud it was. There is no way I could ever have afforded these aides on my own! To just say "Thank You" does not seem like enough, but I do say "Thank You" times over. Please know that I really do appreciate these aides and I hope you keep up the good work !!

God Bless You ,
