To all it may concern:

Blessing to all in the Name of our Lord Jesus Christ! I want to begin by saying a "Great Big Thank You" to all who were involved with me getting my hearing aids. They have been a real blessing so far. I am still trying to remember to put them in, in the mornings. Its amazing the things that you dont hear after having hearing loss. Its nice to be able to hear them again. I dont have to have the T.V. up as loud. Its so nice for my family. I would like to say a big thank you again.

Blessing to all

Sincerely yours
