Hello Mitch: I just wanted to take a few minutes to tell you what a difference my hearing aids have made in my life and the lives of people who are around me. I still cannot believe how many sounds I did not hear at all. As soon as I got them, my daughter and I went to WalMart and I could not get over how loud the trucks, etc were in the parking lot! Now, my daughter doesn't have to shout at me, she literally can whisper and I can hear her. Now, she has to train herself to speak in a normal tone again.

It is truly a wonderful thing your organization does for those of us in need. I cannot tell you enough how much I appreciate your generosity and dedication. I can now look forward to a more rewarding life thanks to you.

Sincerely, and with love and admiration

Carol R. McQueary
