

When several years ago my hearing began to fade it made my world smaller. I shied away from most contacts with people that were not aware of my problem. I was hesitant to answer the phone. Now I have a whole new outlook on life, I have become more confident when meeting people. Now I can hear again! I want to let you know how much I appreciate your help and kindness, it enriched my life tremendously.

Thank you from the bottom of my heart!

Sincerely,

Gertrud Weishoff
