My son told our family, we might all need to learn
to use our hands to talk. ~~been~~ Mommy hearing is so bad!

I got to staying to my self. I'de read books a lot.
To join in talking with others was a probelem.

I even hated to go to see my Doctor, I'de talk my
Sister so she could lessen for me. I felt like people
looked at me like I had a mental probelem.

Thanks to every one that helped. I now can
here birds singing, wind blowing in the tree tops.
And when I take my dog walking I can here traffic
and air plans flying over us. We live close to the Station.

I was so happy when I got these hearing aids
I felt like crying for happiness. I held back happy
tears, I didn't want the young lady name Julie
