

# Thank You

JUNE 20-2011

Dear Mr Shapiro,

I received my hearing aids last week and I want you to know how much they have helped me. I can hear sounds that I have not heard for years and I feel like I am a new person! Your program is a real blessing to all of us elderly persons left out of things because we can't hear. The words thank you don't really seem enough. Instead I want to say you have made me able to enjoy the time that is left of my life and God bless you for that. John Mc Nulty
