Dear Lori,

I would like to express my sincere gratitude to you and the Foundation for Sight & Sound for all of your help and support in obtaining my new hearing aids.

On April 27, 2012 I received my new hearing aids from Dr. Rebecca Hu at South Bay Hearing in Torrance. I now have a new life! I can hear the birds sing, the traffic go by, have the TV on low volume and last but not least, have a normal conversation with family and friends. It is really amazing to be able to hear again.

Thank you so much for your help. I greatly appreciate the assistance you have provided me.

Sincerely,

Stefan Bittenbinder
