Dear Mitchell Shapiro and David Carr,

I'm writing on behalf of my aunt, Stella Vinje. I can't thank you enough for the hearing aids that you have giving her. Seeing her that day was an experience that I will never forget. She could hear everything that was going on in the room. When she left your office on Saturday she felt so good that she asked me to take her shopping. This is something that she has not done in over two years and enjoyed it immensely. I didn't realize what she has missed over the years. Since she is home she is able to hear and participate in all conversations, hear the phone ring and also have asked to have her radio turned down. She feels amazing since she is able to hear. Again, thank you so much.

Sincerely,

Diane De Luise
Stella Vinje
